

FAITH LEARNING

At Minnehaha Academy, our desire is that students become active participants in God's story, engaging their whole selves:
head, heart, and hands.

Throughlines help students realize who they are created to be and the work they are appointed to do, leading to a deepening sense of purpose and vocation.

JUSTICE-SEEKING

We engage in the kingdom work of redemption and restoration by seeking right relationships with God, others, and creation through:

- love for all people which is a hallmark of the follower of Jesus.
- nurturing a dynamic, diverse community that reflects the Biblical image of the Kingdom of God.
- believing each person has been created to love God and others and to care for God's creation.
- challenging ourselves and our students toward excellence, a deepening Christian faith, and a commitment to service.
- being a voice for the voiceless.
- desiring that our students have transforming influence in society.
