## JOIN US

Come join us for these days of deepening our understanding of Teaching for Transformation. As we spend time visiting Tft schools and learning from students, staff and administration teams, we will focus on the following three learning targets:

- I can engage with learning designed by the core practices of Teaching for Transformation
- I can deepen my understanding of Tft by talking to administrators, teachers and students
- I can reflect on my school's readiness to begin a Tft implementation journey

## REGISTER NOW
