OPPORTUNITY PROFILE
5-8 PRINCIPAL

THE OPPORTUNITY

Dear Prospective Principal,

Thank you for your interest in Pella Christian Schools and the position of 5th to 8th Grade Principal! Due to continued enrollment and hiring growth, our current Early Education to 8th Grade Principal position is being divided into two positions. It is with great excitement and anticipation that we look forward to seeing how God will continue to build our program through the skills, talents, and heart of an additional leader. We have been praying for you, trusting that God will bring someone who is the right fit for our school and community.

At Pella Christian, we believe that preparing students for the future extends far beyond imparting knowledge and skills. It requires a learning environment and experiences that embrace the whole child—mind, body, and spirit. We live into our mission of empowering God's children to join in His restorative work, helping them see themselves as active participants in God's story of redemption and renewal. This mission shapes every classroom, every interaction, and every lesson, from our youngest preschoolers to our seniors in high school.

Many reasons exist why more than 875 students attend Pella Christian Schools. From a Christ-centered academic experience and outstanding teachers who care deeply for their students, to our vibrant Spanish Immersion program and thriving student services. The most important reason is Jesus Christ. Families invest in Pella Christian because they desire intentional engagement, whole child education and generational community.
