

Teaching ^{for} **TRANSFORMATION**

TFT CONFERENCE

RUBRIC FOR STRAND AND WORKSHOP PROPOSALS

Our **Deep Hope** is to celebrate God's Story and our place within it as we **refine our craft, renew our commitment, and are formed together** as a community of peculiar people.

- We can **refine our craftsmanship** as designers of transformational learning.
- We can **renew our commitment** to courageously embrace Tft practices.
- We can **be formed together** by celebrating learning in God's Story.

Areas of Growth	Target	Celebrations (with evidence)
	I can design a workshop that brings the Deep Hope and the learning targets of the conference to life.	
	I can craft a strong learning target (or targets) to guide participants throughout the workshop.	
	I can structure my learning plan according to Tft's Transformational Lesson Design, flowing through the phases of invite, nurture, and empower .	
	I can design learning that incorporates continuous practice of the Habits of Learning .	

Areas of Growth	Target	Celebrations (with evidence)
	I can design a workshop that focuses on deepening a TfT practice (or practices) .	
	I can engage participants through the use of protocols .	
	I can create varied and multiple opportunities for reflection throughout the workshop.	
	I can articulate specific action steps for participants to commit to try , based on the learning in the workshop.	
	I can incorporate design time for participants to plan their next steps.	
	I can plan an opportunity for participants to celebrate their learning and connect the workshop/strand Celebrating in God's Story.
